SERIAL NO. 3662

Sub. No. 1 AMENDMENT TO SECTION 5 OF THE CONSTABULARY FORCE ACT

A consequential amendment from The Law Reform (Zones of Special Operations) (Special Security and Community Development Measures) Act is section 5 of the Constabulary Force Act, which now reads:

'Sub-Officers and Constables of the Force may be enlisted for a term of five years, and no Sub-Officer or Constable of the Force, so enlisted, shall be at liberty to withdraw himself from the Force until the expiration of that term; and no Sub-Officer or Constable of the Force who has not been enlisted for a term shall be at liberty to withdraw himself from the Force until the expiration of six months from the time he shall have given notice in writing of his intention so to do to the Officer under whose immediate orders he shall be; and if any Sub-Officer or Constable shall so resign or withdraw himself before the expiration of such term, without the permission, of the Commissioner or without such previous notice, *he commits an offence and is liable on summary conviction in a Parish Court, to a fine not exceeding two hundred and fifty thousand dollars or to imprisonment for a term not exceeding three months*(emphasis added)'.

The practice of automatically accepting resignations especially at short notice is proving detrimental to good administration. Some of the challenges are:

- Disruption to the functioning of formations from the sudden loss of Specialists who are not easily replaced.
- Dismissal of cases for want of prosecution where members who are critical witnesses separate without making adequate provision for the continuation of cases.
- Inability for the organization to implement retention strategies owing to the absence of data that should have been captured at an exit interview.

Effective from the date of this Force Order, the grant of permission to resign/withdraw will be determined on the merit of each case, but in general is likely to be denied where;

1. The notice is less than six months or in exceptional circumstances less than four weeks;
2. Due to the fault of the applicant, a final appraisal is not completed;
3. Due to the fault of the applicant an Exit Interview was not conducted;
4. A certificate that the member is not a witness or that adequate provision has been made for the continuation of any case; or
5. Government properties issued for the performance of duty are not returned.

The withdrawal of service by any member where the permission to resign has been denied, in addition to being a bar to any future readmission or the grant of a recommendation, may result in:

1. Dismissal in accordance with Regulation 27(1) of the Police Service Regulations (1961).
2. Prosecution under Section 5 of the Constabulary Force Act.

Commanding Officers must ensure that the provision of this sub-head is brought to the attention of members under their command.

SERIAL NO. 3662

Sub. No. 2 REMINDER -AMENDMENT - PROCEDURE IN TREATING WITH FOREIGN NATIONALS

The attention of members is drawn to instructions previously promulgated relative to the procedures to be adopted when treating with foreign nationals in distress or who have been arrested.

In this regard, Force Orders No. 1740, Part I, Sub. No. 2 dated 1980-10-18, and subsequent Force Orders the last of which was Force Orders No. 3623, Part I, Sub. No. 7 dated 2016-11-10 are hereby republished with **minor amendments** for the guidance of members as follows:-

DIPLOMATIC IMMUNITIES AND PRIVILEGES

The provisions of Force Orders No. 1740, Part I, Sub. No. 2 dated 1980-10-09 and Force Orders No. 3425, Part I, Sub. No. 7 dated 2013-01-24 dealing with Diplomatic Immunities and Privileges are hereby republished for general information.

All ranks are aware that representatives of Foreign States who are afforded diplomatic status are not subject to the laws of the receiving State and hence are accorded inviolability of their residences and other personal property.

In an effort to have all diplomats properly identified, the Ministry of Foreign Affairs and Foreign Trade has had identification booklets issued to all persons afforded diplomatic status and these booklets are countersigned by the Commissioner of Police.

I give below an extract from a letter of advice issued by the Ministry of Foreign Affairs and Foreign Trade to all Foreign Missions:

The advice which follows has been worked out with the security authorities, and I am asking you to ensure that this information is brought to the attention of all your staff.

In the first place, if any member of Mission Staff, or any member of such person's family is stopped by the Security Forces, he should immediately identify himself by means of the ID card provided by the Ministry of Foreign Affairs to each such person. This means that the Ministry of Foreign Affairs' identification card should be carried on the person at all times. Children under sixteen years have not been issued identification cards and will, therefore, be vouched for by the diplomat/parent.

Secondly, if any such person is carrying a firearm, the firearm permit issued by the Commissioner of Police must also be immediately produced. This means that firearm permits also must be carried at all times. Failure to produce this permit could result in temporary confiscation of the firearm.

No member of the Diplomatic Corps, their staff or their servants should be prosecuted for any offence or any writ served on them, without reference to Police Headquarters. In addition, no member of the Force may enter upon the premises of a foreign mission without invitation.

I wish to make it clear that I do not intend to tolerate situations where this Department is embarrassed by members who disregard the facilities and courtesies which are accorded to members of the Diplomatic Corps, their staff or their servants.

FORMS - PARTICULARS OF ALIENS OR COMMONWEALTH CITIZENS
ARRESTED OR DETAINED ETC.

Effective immediately, all arrest/detention entries in the station diary and all other relevant station records must include the nationality of the accused.

Re: Exemplary Conduct of #5627 Corporal M. McCallum

On Thursday July 20, 2017 at 7:40 a.m. as I travelled on the Spanish Town Bypass in the vicinity of the Jose Marti High School I was stopped by Police Personnel on operation.

I waited for a few minutes anticipating that this Police Officer would come to me. However, he beckoned me to exit from my vehicle; this for me was an unusual operation and is worthy of noting as the Officer enquired about my safety regarding the male occupant seated in the rear of the vehicle.

The Officer was very observant from a distance, as he described to me the actions of the Male Occupant which aroused his suspicion. I then assured him that my female co- worker and I were safe, and the young gentleman at the back was my relative.

The service displayed, reinforces that there are still professional, dedicated and caring Police Officers in the JCF. I wish to publicly commend Cpl. McCallum for his exemplary conduct and for maintaining the mission of the organization to serve, protect and reassure.

Yours Truly,

Shannon Smith-McLeod (Mrs.)

Thankful Citizen

June 20, 2017

Dear: Commissioner of Police,

Too often the general public paint a not too good picture of our men and women in the Jamaica Constabulary Force. I personally know that there are men and women of this organization that are working timelessly and selflessly to make our nation safer and better. Two such persons are inspector Delroy Stewart of the Old Harbour Bay Police and Sergeant Princess Bayliss-Ranger of the Old Harbour Police.

Sergeant Bayliss-Ranger has always been an officer the people are comfortable to talk to. I am most impressed by the way she made her presentation on Domestic Violence to the Old Harbour Community.

Inspector Stewart is one of the most approachable police officer i have ever come across. He brings such humanity to the public he serves all this with much professionalism and decorum- whenever he called in my community to deal with situation in a fair, unbiased and just manner. He is a replica of what I would like to see the Jamaica Constabulary Force looks like.

The people of my community are happy to have officer like these. As we strive to make Jamaica not only a safer place, but a softer and gentler society, I hope we can see more officers like Sergeant Bayliss-Ranger and Inspector Stewart.

God bless us all as we work together for Jamaica land we love.

Kind Regards,

Audrey Maragh-Fuller JP

Commissioner Quallo,

RE: Letter of Commendation for Sergeant Nickoyon Brown.

The Clarendon Police Youth Club Council would like to place on record our appreciation and support of Sergeant Nickoyon Brown to the Culinary Arts and Social put on by the Clarendon Police Youth Club Council. The Clarendon Police Youth Club Council would like to publicly commend Sergeant Nickoyon Brown of the personnel division for the work he did as Chef Judge at the 2017 Culinary Arts and Social held on the 2nd of July 2017 at Cross, May Pen Clarendon.

It must be noted that when Sergeant Brown was asked he did not hesitate and we believed we need more police officers like Sergeant Brown who will go beyond the call of duty. We can clearly see that the need for collaboration between the police and citizens is of Paramount importance as the country is being crippled with crime.

The clubites were very pleased with his style of judging as he showed no preference or bias to participating clubs. He was very professional in the execution of his judging duties and we are sure he is more exceptional whilst on police duties. Whilst the force is still trying to win the confidence of the wider public, police officers like Sergeant Nickoyon Brown makes the challenges a bit easier.

The Clarendon Police Youth Club Council ask that you extend our gratitude to Sergeant Nickoyon Brown and encourage him to continue holding the banner of the Jamaica Constabulary Force high as we continue to collectively strive to build a better Jamaica.

Sincerely,
CLARENDON POLICE YOUTH CLUB COUNCIL

ESPRIT DE CORPS

MAINTAINING BALANCE

A well balanced life is essential for personal effectiveness, peace of mind and living well. Whether we work, go to school or are retired, we all have responsibilities. There is always someone, or something, to answer to. There are things we want to do and things we must.

The challenge is to balance what we must do with what we enjoy and choose to do. This is not always easy. If, however, we are unable to reduce stress and manage a well balanced life there can be physical and/or emotional health consequences.

How do we maintain balance in our lives?

Know yourself and how much rest, food and exercise you need to function at your best. There are many good books and websites that give great advice on diet and exercise. Decide what works best for you and implement it into your routine.

Keep your mind alert and in shape. Try to learn a new piece of information each day, even if it's in conversation with your spouse and children at the dinner table.

Stay connected with family and friends. At the end of the day share with your spouse and children how the day went for each of you. We lead busy lives, but we should never be too busy to connect with and make at least one phone call to a parent, sibling or friend during the day.

Do something spontaneous. Our lives can be too regimented at times so it's a good idea to do something out of the ordinary every now and then. During your lunch one day go for a pedicure or massage. Take a drive in the countryside one afternoon. On the weekend go to a concert, movie or play.

Make time for yourself. Each evening take time to unwind. If that means leaving the dishes overnight, so be it. Take a nice bath, read from the book you started, or listen to some soothing music.

We can all learn from elite athletes who, by knowing how to balance their training routines, are able to function at optimum levels.
